

Dear Families,

## Conferences

Thank you so much for coming to your child's conference. You should be proud of your child's accomplishments and the presentation that was made.

I would love you to spend some time to give me feedback on how you think the conference went. Please spend some time to write back to me or call me about the following things:

1. What you learned about your child.
2. How you think your child is doing at school.
3. Goals you will set at home with your child.
4. Questions or ideas you have about the way the student-led conferences are held.
5. Questions about the progress report you received.

Thank you for your time to do this. We are always trying to find ways to improve our communication and ways to help you learn more about your child and their own learning at RMSEL.

Sincerely,
